

A 100% Solid Bleached Sulphate Graphic (SBS) Board designed for the production of paperboard gift cards. Excellent quality and economy.

**Nu Saturn** is a symmetrical coated board, made by back-to-back lamination. The printing surfaces are therefore identical.

**Nu Saturn** can be used in a wide range of premium & luxury packaging applications.

**Nu Saturn** has outstanding levels of bulk, stiffness, and whiteness, together with smooth coated surface on both sides.

**Nu Saturn** is made from 100% virgin fibre from pulps sourced from well managed forests certified in accordance with the rules of the Forest Stewardship Council® (FSC®).

**Nu Saturn** is suitable for use in direct contact with dry and fatty foodstuffs in accordance with German BfR XXXVI recommendations.

**Nu Saturn** is fully recyclable and manufactured to precise and controlled standards.
